To the Members of Local 157,

The Executive Board of Local 157 acknowledges and supports the Black Lives Matter Movement and the peaceful protests happening in our city and around the world. We are proud of our diversity and recognize that the Civil Rights Movement and the Labor Movement are inextricably bound together.

We stand together with people of every race, creed, color, and gender when we say that Black Lives Matter.

Stay safe, stay strong, and stay together in solidarity,

The Local 157 Executive Board
